Invitation to the information event about the IB Diploma Programme at the Albert-Schweitzer-Gymnasium Wolfsburg

Dear parents of students in grades 10 and 11,

The Albert Schweitzer Gymnasium is the only school in Wolfsburg to offer the IB Diploma for students in grades 12 to 13. This English-language international education program grants graduates direct access to universities worldwide.

International students can choose the IB Diploma directly with entrance into grade 11 (pre-IB), while German students can take it as a supplementary qualification alongside their Abitur.

To provide you with more detailed information about the options and opportunities of the IB Diploma at ASG, we cordially invite you to our information event on **Tuesday, February 17th at 6:00 pm in room 215** (1st floor, to the left behind the glass door) **of the Albert-Schweitzer-Gymnasium**.

We hope for a large turnout and are pleased to inform you about this special program at ASG. Further information about the IB Diploma can also be found on our website at: <https://asg-wob.de/ib-diploma/>

Best regards
